

Day Two

To Whom Do You Pray?

Here's what we'll do on Day Two:

During the Facebook Live, I'll talk you through each question in this handout and will invite you and the others in attendance to share your answers and comments.

We'll do some tapping and I'll ask Spirit to give us additional words of encouragement, answers, etc.

After our Facebook Live, I'll provide you with a post in The EGO Tamer® Academy Facebook Group. There you'll find instructions on how to share your experience.

And, as prompted, I'll pray with you.

Here are the questions we'll cover on our second day together:

- When you pray, what image comes to mind?
- When you pray, do you sense the presence of God?
- Have you ever had a Spiritual prompting to take a specific action or speak a word that you know without a doubt was Holy Spirit directing you from harm or for your highest good?
- Have you ever ignored such a prompting? If so, what happened then?
- Do you believe God is a personage or merely energy?
